1. Temporary safety measure

=====

As a result of a recent physical attack on an employee at the Griffenberg campus, which is being prosecuted, we temporarily adapted the security measures on campus. They include a security team trained in de-escalation and self-defence. Its members are present on the Griffenberg campus between 7 a.m. and 8 p.m., wearing special protective clothing. The security service can be recognised by a yellow high-visibility waistcoat bearing the word 'Security' and a black cap bearing the name of the security company 'Wach- und Schließgesellschaft'. You can contact them at any time if necessary.

Your safety on campus is of utmost importance to us. Die Sicherheit auf dem Campus ist für uns von höchster Bedeutung. We would therefore like to remind you once again of our general safety measures, including the university's internal emergency **number +49 202/439-2121**, which is available 24/7:
